

How to Join Google Meet - Student

1a. Go to the Google Meet website.

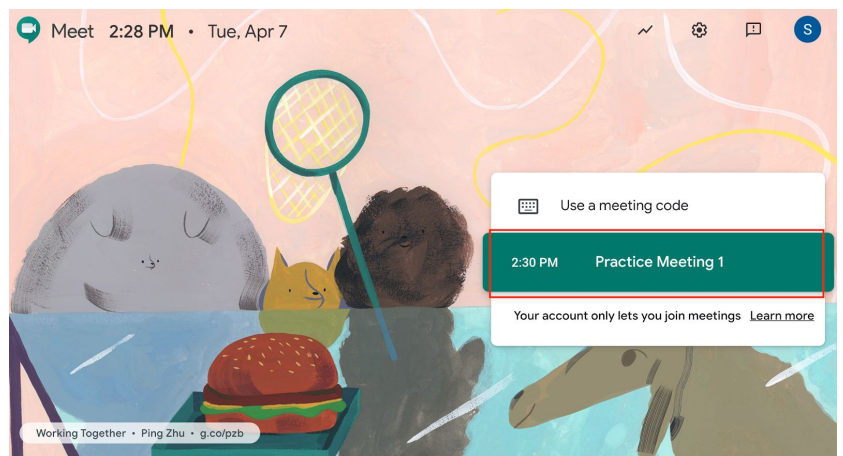

meet.google.com

Make sure to login with the student opaeagles.org account.

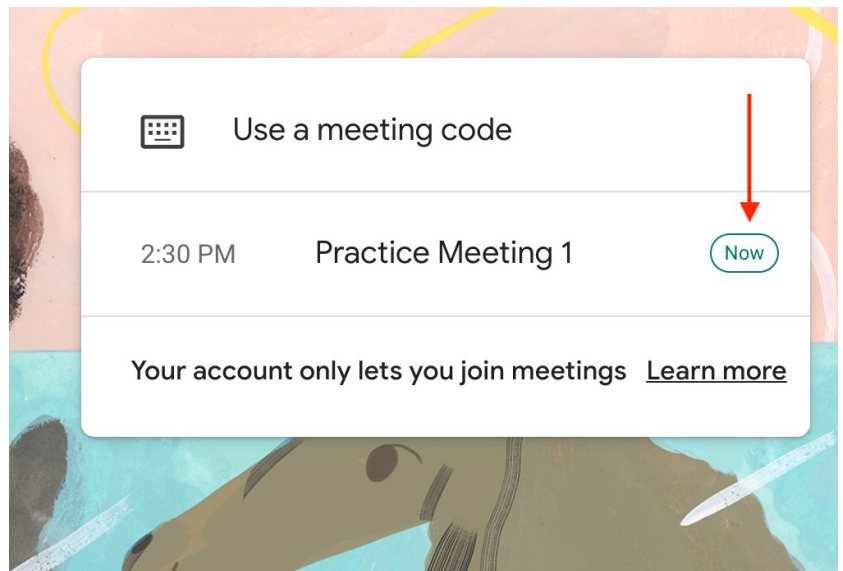

1b. Google Meet is also an app found on the clever page. This will log the student in.

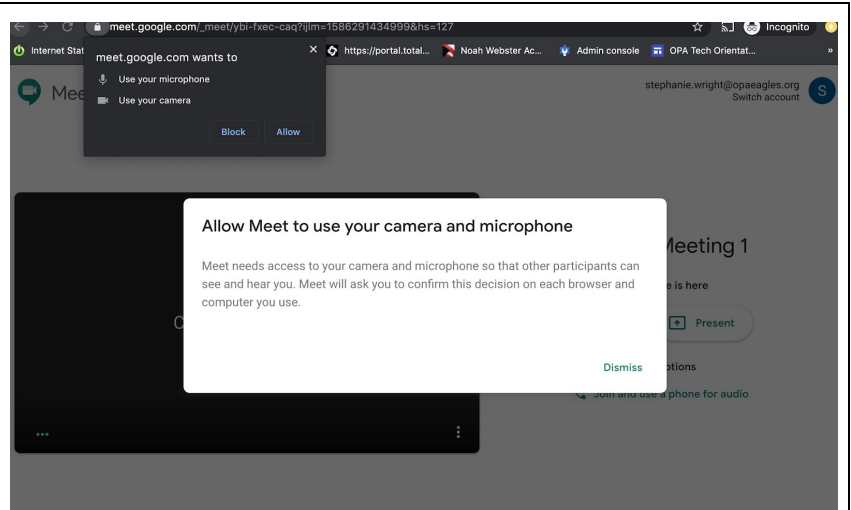

2. Any scheduled meetings a student has been invited to will show on their homepage. It only will be visible **on the day** of the meeting.

3. When it's time to start the meeting, they will simply need to click on the meeting to join.

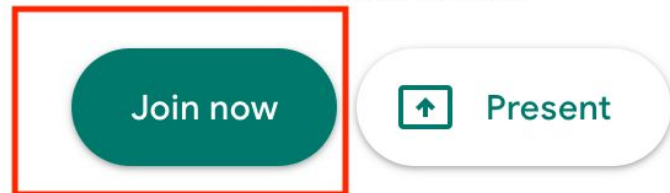

4. Give Meet access to camera and microphone.

5. "Join now"
